Dear Music Supporter,

The past few years have been exciting for the Farmington High School Band program. Some of our outstanding accomplishments are:

- Fall of 2019 & 2020: 5A state marching band champions
- Winter of 2020: Wind Ensemble invited to and performed at the annual Utah Music Educators Association conference in St. George. Only two high school bands are selected each year from across the state.
- Fall of 2021: Region champions and 2nd place in 6A state marching band
- 2021-23 School Years: Superior ratings for marching band, jazz ensemble, wind ensemble and concert/symphonic bands at all state competitions.

Our goal is to become a nationally recognized program—one that our community and school can rally around and be proud of—and we are well on our way!

In order for us to reach our goal, we're looking for financial support that will help us make necessary purchases. Currently we're working towards building a storage shed for equipment and show props. We're also in need of financial support for program and competition expenses such as food, equipment, and supplies.

To make these purchases possible, we are looking for individuals and companies to become official sponsors of the band program. In return for your support, we want to help you as well! Your sponsorship can directly benefit you or your company through advertising on our website, band newsletter, and at many of our band events and concerts. We also offer banner advertising and your company logo/name displayed on our band trailer.

A full range of sponsorship options are included with this letter. Please review these different sponsorship levels and decide what works best for you or your organization. All donations can be tax-deductible, and we can provide the necessary documentation that your organization requires. We also welcome any products, gift cards, baskets, or other items your organization would like to donate.

If you have any questions, please feel free to contact me directly. Thank you for supporting music and the band program at Farmington High School!

Regards,
